OVERVIEW

This workshop series addresses the key questions facing early childhood programs in creating caring communities, through the use of storytelling strategies. Early childhood educators will learn vital skills to connect with parents and create a nurturing community for families.

MARCH 10TH

**Strategies for Bringing
Parents and Teachers
Together:**

Providing an opportunity to collaborate, plan, and utilize storytelling to connect with parents and build community.

APRIL 7TH

Continuing Support:

Discuss successes and challenges that arise during implementation of storytelling strategies in early childhood communities.
